Everytime I look in your eyes
F G
It starts healing

Because it's love
G C
Yes it's love, oh it's love

F G
And we climb a step
C F
Every day it's you and I

We climb a step

Every day and every night

It's everytime you look at my face
F C
You give me this feeling
C
Everytime you look in my eyes
F G
My heart starts to tumble
C
Oh I think of you all the time
F C
It's you I believe in

C
Because it's love ...

And we climb a step ... (3x)
