

Nanana - Kelly Family

Intro: Gm B F Es Gm B F Es

1. In this grey grey world where nobody sings
I saw the face of a human doll.
Her eyes were glass and her hair was gold,
from her sweet soft lips you could hear that song go.

Refr.:

Nanana, nana nanana, nana nanana, nana nana nana.
Nanana, nana nanana, nana nanana, nana nana na.

2. In a place where hell is around the corner
I touched her hand, it was baby sweet.
She kissed me there, I could feel the song,
going down my throat she was singing to me.

Refr.:

My daddy said if you wanna live,
you better not touch, this is not a toy.
The truth is, boy, I'm a bloody fool,
I left the one that I loved behind, singing:

Refr.:

Tell me what it is that brings me back to you,
tell me what it is, I can't stop loving you.
Tell me what it is that brings me back to you,
tell me what it is, I can't stop loving you.

3. So take me back to the land of yours,
where the black swan loves the one I lost.
My generation sings with the radio on
the melody of the human doll.

Refr. :
