[Intro]

G Em D G

[Chorus]

G Em
Roses of red fall on my head

He smiled then turned away

Roses of red grow in my heart

They bloom when he passes me by

'Cause he, he makes me happy
D G
and he, he makes me fly
G Em
Oh oh oh, oh oh oh
D G
I bloom when he passes me by

G
If you want paradise
Em
Then look at my eyes
D G
I'm as clear as the sky when it's blue

If you want paradise

Then look at me twice
D G
'Cause I'm not a normal red rose

D G
And he, he makes me crazy
D G
And he, he makes me fly
G Em
Oh oh oh, oh oh oh
D G
I bloom when he passes me by
G Em
Oh oh oh, oh oh oh
D G
I bloom when he passes me by
