

Thunder - Kelly Family

I came down to see you

A

But you were never there

G

You were always lonely

D A

somewhere

D

I came down to love you

A

But you were never there

G

But you're always parting

D A

somewhere

D A

Hold on, don't leave me lonely

D A

Hold on, don't leave me lonely

D A

Hold on, don't go without me

D

Tell me what's the game now

A

Cause I'm really kind of jealous

G

You're going out with friends now

D A

Somewhere

D

I'm gonna get my guitar

A

And strum down all my pain

G D A

I think I'm going crazy, beware

D A

Hold on, don't leave me lonely

D A

Hold on, don't leave me lonely

D A

Hold on, don't go without me

G

I'm gonna let nobody, gonna let

A

nobody love you

Gonna let nobody love

D A

Thunder bloody bloody thunder

G

D

Bloody thunder is on its way

D A

Thunder bloody bloody thunder

G D
Bloody thunder is on its way

D
I came down to see you
A
But you were never there

G
You just left me lonely

D A
somewhere

D A
Hold on, don't leave me lonely

D A
Hold on, don't leave me lonely

D A
Hold on, don't go without me

G
I'm gonna let nobody, gonna let

A
nobody love you

Gonna let nobody love
