Ruby - Kenny Rogers

```
       D                                                          A7    Em
You've painted up your lips an rolled and curled your tinted hair.
D                          D         A7
Ruby are you contemplating going out somewhere?
    Em                              A7                   Em
The Shadow on the wall tells me the sun is going down -
    D   G G/F# Em (Stop)
Oh Ruby-----
                         D
Don't Take your love to town

Its hard to love a man whose legs are bent and paralysed
And the wants and the needs of a woman your age, Ruby I realize,
But it won't be long i've heard them say until I not around
Oh Ruby-----
Don't Take your love to town

   Em                              D
It wasn't me that started that old crazy asian war
   Em                           G         A7
But I was proud to go and do my patriotic chore
   Em                              A7                   Em
And yes, it's true that I'm not the man I used to be...
    D   G G/F# Em (Stop)
Oh Ruby-----
                         D
I still need some company.

She's leavin' now 'cause I heard the slammin' iof the door
The way I know I've heard it slam one hundred times before
And if I could move I'd get my gun and put her in the ground
Oh Ruby-----
For god's sake turn around!
```
