```
C                Fmaj7
Beth, i hear you callin'
     C                    Ami  G
But i can't come home right now
F                Emi
Me and the boys are playin'
   C                     Esus   E7
And we just can't find the sound

   Ami            G
R: Just a few more hours
  F                     Emi
And i'll be right home to you
 D7                F       G
I think i hear them callin'
  Ami                 Ami G F
Oh, Beth what can i do
         G        C
Beth what can i do

   C             Fmaj7
You say you feel so empty
       C                 Ami  G
That our house just ain't a home
F                Emi
And I'm always somewhere else
   C                  Esus  E7
And you're always there alone

R:

C                Fmaj7
Beth, i know you're lonely
     C                Ami  G
And i hope you'll be alright
      F                      Emi
'cause me and the boys will be playin'
   C
All night
   C
All night
