

rock n roll all night - KISS

You show us everything you've got
You keep on dancin' and the room get's hot
You drive us wild, well drive you crazy
You say you wanna go for a spin
The party's just begun, well let you in
You drive us wild, well drive you crazy
You keep on shoutin', you keep on shoutin'
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day

You keep on sayin' you'll be mine for a while
You're lookin' fancy and I like your style
You drive us wild, well drive you crazy
You show us everything you've got
Baby, baby that's quite a lot
And you drive us wild, well drive you crazy
You keep on shoutin', you keep on shoutin'

I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll all night and party every day
I wanna rock and roll
