Sing the Song - Kurt Nilsen

```
1. Verse:
           G        C       G
You sing a song for feeling alive
                      C            G
You sing a song just knowing it's right
          Em         C              G
You write songs when everything's a mess
           Em             C        G
You sing a song to get it off your chest

2. Verse:
You hate to brag but you do it anyway
You close your eyes when you sing to yourself
Being what you are does not make a change
You sing a song for setting things straight

Chorus:
Hm              C
All in all it's wonderful
    Hm                    C
But isn't there something missing?
Hm              C
All in all, wherever you go
         Am
There is always someone listening

3. Verse
You sing a song for being in love
You sing a song that made it to the tops
Never get wise on music, just let it go
You sing the song if it makes you grow

Chours:
But all in all it's wonderful
Isn't there something missing?
All in all, wherever you go
There is always someone listening

Chorus:
All in all it's wonderful
But isn't there something missing?
All in all wherever you go
There is always someone listening

G C Am G C Am

4. Verse:
