

## You're A Creep - Langerová, Aneta

I know it's really late but  
I had to call you  
Something that I've gotta say  
Saw you at the movies  
with your new trophy  
I can't believe it's been just a day

Since we were holding each other now  
I know  
You're a creep  
And I wish that I'd never met you  
You're a creep  
Just a scurvy little dog in the street  
You're a creep

I know it sounds crazy,  
but I thought that maybe  
All we needed was time  
But seems you recovered with new lover  
Cuz everything we had was a lie  
You said you'd die without me,  
but you're still alive

You're a creep  
And I wish that I'd never met you  
You're a creep  
Just a a scurvy little dog in the street  
You're a creep  
You're a creep

Can't believe that I gave you  
the best of me  
But, baby, now it's your turn to hurt

I know it's really late  
but I should be going  
But I just wanted to say  
you're a creep
