and my spirit is crying for leaving
C G Ami
In my thoughts I have seen rings of smoke through the trees
C G F Ami
and the voices of those who stand looking

Oh it really makes me wonder

And it's whispered that soon if we all call the tune, then the piper will lead
us to reason
And the new day will dawn for those who stand long, and the forest will echo
with laughter

If there's a bristle in your hedgerow don't be alarmed now, it's just a spring
clean for the May queen
Yes there are two paths you can go by but in the long run, there's still time
to change the road you're on

Your head is humming and it won't go in case you don't know, the pipers calling
you to join him
Dear lady can you hear the wind blow and did you know, your stairway lies on
the whispering wind

And as we wind on down the road - Our shadows taller than our soul
There walks the lady we all know - Who shines white light and wants to know
how everything still turns to gold - And if you listen very hard
the time will come to you at last - When all are one and one is all

To be a rock and not to roll - And she's buying a stairway to
Ami
heaven
