Would you love a monsterman - Lordi

Would you love a monsterman
Could you understand beauty of the beast

Fire at will - yeah I would kill
Yeah I would freeze the hell all over just to get a chill
Yeah I would slay - Yeah I would maim
Yeah I would vanish in thin air and reappear again
Be right in the squares, yeah I would be sincere
Yeah I would lie, Yeah I would lie
Yeah I would be there waking up the dead to get a thrill
I say yeah - I say yeah

Would you love a monsterman
Could you understand beauty of the beast
I would do it all for you, would you do it all
Do it all for me

Take your time - you'll be fine
Yeah there is nothing wrong with this
you ain't commit no crime
You don't know why we passed you by
You search for something never found
Along these lines
Someday you may turn around and terrify
You can't deny - You crucify
Would you get down in the gutter
Swallowing your pride
I say yeah - I say yeah

Would you love a monsterman
Could you understand beauty of the beast
I would do it all for you, would you do it all
Do it all for me

All that you get is less than (much less)
you deserve
Leaving for now
Someday I may return

Would you love a monsterman

Would you love a monsterman
Could you understand beauty of the beast
I would do it all for you, would you do it all
Do it all for me

Would you love a monsterman
Could you understand beauty of the beast
I would do it all for you, would you do it all
Do it all for me

Hey!
