

## Everytime we touch - Maggie Reilly

Gbmi E Hmi  
A shooting star fell down to earth  
Gbmi E D  
Lightning cracked the sky  
Gbmi E Hmi  
Something weird is happening  
Gbmi E D  
Something I can't deny

Hmi G  
A strange kind of magic  
A  
Running through my brain  
Hmi G  
Feel I'm in heaven  
A Dbmi  
Or going insane

D E Gbmi  
Cause everytime we touch I get this feeling  
D E Gbmi  
and everytime we kiss I swear I could fly  
D A  
Can't you feel my heart beat fast  
E Gbmi  
I want this to last  
D E  
Need you by my side  
D E Gbmi  
Cause everytime we touch I feel the static  
D E Gbmi  
and everytime we kiss I reach for the sky  
D A  
Can't you hear my heart beat so  
E Gbmi  
I can't let you go  
A E  
Want you in my life

Gbmi E Hmi  
The wind was like a hurricane  
Gbmi E D  
Storm clouds filled the sky  
Gbmi E Hmi  
I heard a crash of thunder  
Gbmi E D  
The earth shook in reply

Hmi G  
A strange kind of magic  
A  
Running through my brain  
Hmi G  
Feel like I'm in heaven  
A Dbmi  
Or going insane
