Tallulah - metal balady

```
Intro:  F    G   Am    x4

Verse:
Am                 G
Remember when we used to look
     C
how sun sets far away
Dm                       C    G
how you said this is never over
Am
I believed your every word
       C
and I guess you did to
    Dm                                   C   G
but now you're saying hey, let's think this over

Bridge:
F                      G        Am
You take my hand and pull me next to you so close to you
F          G     Am
I have a feeling you don't have the words
F        G
I found one for you
C          C/B      Am      G      F
kiss your cheek say bye and walk away
                             C     G
don't look back 'cause I am crying

Verse:
Am             G
I remember little things
    C
you hardly ever do
Dm              C                   G
tell me why I don't know why it's over
Am
I remember shooting stars
    C
the walk we took that night
Dm
I hope your wish came true
  C     G
mine betrayed me

Bridge:
F           G                Am
You let my hand go and you fake a smile for me
F          G       Am
I have a feeling you don't know what to do
F            G               C     C/B      Am       G      F
I look deep in your eyes and hesitate a while
             C   G
why are you crying?
```

```
Chorus:
C      G      Dm  Am            C
Tallulah it's easier to live alone
      G                 F  G
than fear the time it's over
Am   Cm
o-o-oo-oo
C      G     Dm      Am             C
Tallulah find the words and talk to me oh
G                  F        G             Am
Tallulah this could be                  (heaven)

Interlude:
Dm                              F                                        Am
  I see you walking hand in hand with a long-haired drummer of the band
                               C
in love with her or so it seems
                                  Dm
he's dancing with my beauty queen
                               F
don't even dare to say you hi
                              Am
still swallowing the goodbye
                            C        G
but i know the feeling's still alive
 Bb     F
still alive

Solo...
I believe the chords are: Am C Dm G

Ending:
F           G               Am
 I lost my patience once so do you punish me now ?
F            G
I'll always love you
    Am
no matter what you do
F             G                   C    C/B      Am   G   F
I'll win you back for me if you give me a chance
                                 C      G
but there's something you must understand

Chorus:
C          G      Dm  Am             C
    Tallulah it's easier to live alone
      G                 F  G
than fear the time it's over
Am   Cm
o-o-oo-oo
C      G     Dm          Am             C
Tallulah find the words and talk to me oh
G                  F        G             Am
Tallulah this could be                  (heaven)
