

## **Fade to Black - Metallica**

Life it seems will fade away  
Drifting further everyday  
Getting lost within myself  
Nothing matters no one else  
I have lost the will to live Simply nothing more to give  
There is nothing more for me  
Need the end to set me free

Things not what they used to be Missing one inside of me  
Deadly loss this cant be real  
Cannot stand this hell i feel  
Emptiness is filling me To the point of agony  
Growing darkness taking dawn  
I was me but now, hes gone

No one but me can save myself, but its too late  
Now i cant think, think why i should even try

Yesterday seems as though it never existed  
Death greets me warm, now i will just say goodbye  
Goodbye
