

We Will Not Go Down - Michael Heart

- Ami C
1. A blinding flash of white light
G Ami
Lit up the sky over Gaza tonight
Ami C
People running for cover
G Ami
Not knowing whether they're dead or alive
- Dmi Ami
X: They came with their tanks and their planes
Dmi Ami
With ravaging fiery flames
G F
And nothing remains
C E7
Just a voice rising up in the smoky haze
- F C
R: We will not go down
Ami G
In the night, without a fight
F C
You can burn up our mosques and our homes and our schools
Ami G
But our spirit will never die
Ami G
We will not go down
Ami
In Gaza tonight
2. Women and children alike
Murdered and massacred night after night
While the so-called leaders of countries afar
Debated on who's wrong or right
- X: But their powerless words were in vain
And the bombs fell down like acid rain
But through the tears and the blood and the pain
You can still hear that voice through the smoky haze
- R: We will not go down
In the night, without a fight
You can burn up our mosques and our homes and our schools
But our spirit will never die
We will not go down
In Gaza tonight
- R: We will not go down
In the night, without a fight
You can burn up our mosques and our homes and our schools
But our spirit will never die
We will not go down
In the night, without a fight
We will not go down
In Gaza tonight
