

## Famous last words - My Chemical Romance

Now I know  
That I can't make you stay  
But where's your heart  
But where's your heart  
But where's your...

I know  
There's nothing I could say  
To change that heart  
To change that heart  
To change...

So many  
Bright lights been cast a shadow  
But can I speak?  
Well is it hard understanding  
I'm incomplete  
The life that's so demanding  
I get so weak  
And all their souls are burning  
I can't speak

I am not afraid to keep on living  
I am not afraid to walk this world alone  
Honey if you stay, I'll be forgiving  
Nothing you can say can stop me going home

Can you see  
My eyes are shining bright  
Cause I'm out here  
On the other side  
Of the jet black  
Broken mirror  
And I'm so weak  
Well is it hard understanding  
I'm incomplete  
And all their souls are burning  
I get weak

I am not afraid to keep on living  
I am not afraid to walk this world alone  
Honey if you stay  
I'll be forgiven  
Nothing you can say can stop me going

I am not afraid to keep on living  
I am not afraid to walk this world alone  
Honey if you stay  
I'll be forgiven  
Nothing you can say can stop me going home

These bright lights are  
glowing bright at me  
These bright lights are  
glowing bright at me  
I said

I see you lying next to me  
With words I thought I'd never speak

Awake and unafraid  
Asleep or dead  
x4

I am not afraid to keep on living  
I am not afraid to walk this world alone  
Honey if you stay  
I'll be forgiven  
Nothing you can say can stop me going home
