I wanna be a scientist - Náhodné Setkání

/: Am G Am G F G C :/

Am G Am G
Wow I can tell you a story scientific and full of glory
F G C
wasting time in laboratory everyone sing with me

Am G Am G
A beginning is a stimulation let us make another station
F G C
Based upon falsification which you can watch to see

Ref:
G Am F C
Sience, let me be, stupid, make me free, blow it all away, further from this play

Am G Am G F G C
Am G Am G F G C
For you friends they´ve made a machine which exhorts people in clashing
Good ideas are just smashing, who doesn´t have to knee?

Finally there´s quantum physics, taking us over the lyrics
Shaping the brain in a big mix, fly as a bumblebee

Ref:

Sience, let me be, stupid, make me free, blow it all away, further from this play

Am G Am G F G C
