

## Dream on - Nazareth

G  
Dream on  
          C      G  
You can hide away  
          C      G      D  
There is nothing to say, so dream on  
  G  
Dream on  
          C          G  
Though its hard to tell  
          C      G  
Though youre foolin yourself,  
  D  
dream on

  A                  G  D  
You can laugh at me because Im crying  
  A  
You can tell your friends how much  
  G          D  
I begged you to stay  
  A                  G      D  
You can live your fantasy without me  
  A                  G      D  
But youll never know how much I needed you

  G  
Dream on  
          C      G  
Its so easy for you  
          C      G      D  
Though Im broken in two, dream on  
  G  
Dream on  
          C      G  
You can never see  
          C          G          D  
What youre doing to me, so dream on

You can cross your heart and still be lyin  
You can count the reasons why youve thrown  
it away  
You can dream your life away without me  
But youll never know how much I needed you

You can laugh at me because Im crying  
You can tell your friends how much  
I begged you to stay  
You can live your fantasy without me  
But youll never know how much I needed you

Dream on  
Its so easy for you  
Though Im broken in two, dream on  
Dream on  
You can never see  
What youre doin to me, so dream on  
Dream on

Though its hard to tell  
Though youre foolin yourself,dream on
