

Albuquerque - Neil Young

Emi D
Well, they say that Santa Fe
Emi D
Is less than ninety miles away,
Emi G
And I got time to roll a number
A
and rent a car.
A G Emi D
Oh, A-lbuquerque.

Emi D
I've been flyin' down the road,
And I've been starvin' to be alone,
Emi G
And independent from the scene
A
that I've known.
Oh, Albuquerque.

So I'll stop when I can,
Find some fried eggs and country ham.
I'll find somewhere where they don't care
who I am.
Oh, Albuquerque.
