```
        D               CaddD         G/D             D    G/D  CaddD
It's a fallen situation,     when all eyes are turned in
       D                 CaddD           G/D        D     G/D  CaddD
and a love isn't flowing      the way it could have been

          D11                           D(2)
R1: You brought it all on - Oh, but it feels so wrong
          D11                           D(2)
    You brought it all on - No, no, I don't believe this song
          D11               D(2)
    You brought it all on

    2x D(2)  D6  D11(2)  A11/D  D(2)  D11  D(2)  G/D  CaddD

It's a sad communication with little reason to believe
when one isn't giving and one pretends to receive

R1: You brought it all on - Oh, but it feels so wrong

Pardon my heart if I showed that I cared
But I love you more than moments we have or have not shared

R2: You brought it all on - Oh, and it feels so good
    You brought it all on - When love flows the way that it should
    You brought it all on - It feels so good
```
