Into paradise I soared

Unable    to    come down

For reasons I'd ignored
 G                Gadd4 G  Gadd2 G
Total confusion,

Disillusion

New things     I'm  knowing

I'm standing on a shoreline
It's so fine out there
Leaving with the wind blowin
But love takes care
Know me, know me
Show me, show me
New things I'm knowing

G C, Ami Asus4 Ami Asus2 D4 D

Wind blowing through my sails
It feels like I'm gone
Leaving with the wind blowing
Through my sails
