Winterlong - Neil Young

```
G                        Emi
I waited for you, Winterlong
                          C
You seem to be where I belong.
            D     C   G
It's all illusion anyway.

If things should ever turn out wrong
And all the love we have is gone,
It won't be easy on that day.

 C          H7
Waiting to follow
              Emi      D        C
Through the dreamlight of your way
          H7           E
Is not so easy for me now.

 A                 Amaj7(x03230)
Half the time has passed away
  F#mi                D
Things we thought of yesterday
 D              E             A       G
Come back now, come back now, oh, oh
