

Oh Me - Nirvana

Intro:

E D C E

If I had to lose a mile

If I had to touch feelings

I would lose my soul

The way I do

I don't have to think

I only have to do it

The results are always perfect

And that's old news

Ref:

Would you like to hear my voice

Sweetened with emotion

Invented at your birth?

Chorus:

I can't see the end of me

My whole expanse i cannot see

I formulate infinity

And store it deep inside of me

Adlib:

E C D C E

If I had to lose a mile

If I had to touch feelings

I would lose my soul

The way I do

(Repeat Refrain)

(Repeat Chorus)

Coda:

C

I formulate infinity

D E

And store it deep inside of me
