Action This Day - Queen

Action

This street honey is a mean street
Living in this street honey needs a mean streak
We've got criminals living in this street
But there's a heart beat pulse
That keeps on pumping
Like a juke box playing the same dead record
Or a radio in the corner keeps blaring
I got a feeling this world is using me

This town honey is a dead town
Living in this town honey is a let down
Coming to this town honey is a show down
But there's a heart beat pulse
That keeps on pumping some sunshine ray
Through a crack in the shutter
Or a sight of a light at the end of a tunnel
Still there's a feeling this world is using me

Action this day action this night
Oh we've gotta learn to love to live
You can't say it ain't right
Action this day action this night
Oh you've got the power you've got the power
You've got the power to love to live
You can't say it ain't right
Your mind honey is a bleak place
Living in your minds living in a blank space

Your mind is coming from a rat race
But there's a heart beat pulse
That keeps on pumping
Like a juke box playing the same dead record
Or a radio in the corner keeps blaring
I got a feeling that just won't quit
This world is using me
