Driven By You - Queen

Oh - everything I do I do for you, Oh yeahWe touch and you're afraid of me and
We burn and now I'm at your feet
High speed, but you know you're in safe hands
lyrics of Driven By You by Queen (Freddy Mercury) from the album Greatest Hits III

In the dark we make a brighter light
From one spark to the horizon wide
We trust and together we tame the land - yeah
You'd be forgiven if you think you're dreaming
But we're working night and day to make a dream come true - yeah
Everything I do is driven by youOh - come on babe
Oh well it's tough to make a journey through
The right stuff is dead ahead of you and me
And you know we've still got time
Hold on tight to the driving wheel
This ride is really out of line
Raw deal, but there's no other that's worth a dime
You know I love you but you drive me crazy
Because you're saying all the things I want to say to you
You say
Everything I do is driven by you Everything we do, Everything we do
Everything we do, Everything we do
Everything we do is driven by you Inner children lost their way
Now they know the price you pay
I'm holding on to life with you
Because life without you just won't do
Driven by youYou know I'm never going to know who's dreaming
But we're working night and day to make a dream come true - yeah
Everything I do is driven by you
Everything we do, Everything we do
Everything we do, Everything we do
Everything we do, Everything we do
Everything we do, Everything we do
Everything we do is driven by
Driven by
Driven by you
Oh - everything I do I do for you
