

## I Was Born To Love You - Queen

I was born to love you (love you...)  
With every single beat of my heart  
Yes I was born to take care of you  
Every single day (single day...)  
All right  
Hey hey

I was born to love you with every single beat of my heart  
Yes I was born to take care of you every single day of my life  
You are the one for me I am the man for you  
You were made for me you're my ecstasy  
If I was given every opportunity I'd kill for your love  
So take a chance with me let me romance with you  
I'm caught in a dream and my dreams come true  
It's so hard to believe this is happening to me  
An amazing feeling coming through  
I was born to love you with every single beat of my heart
