

I Was Born To Love You - Queen

I was born to love you (love you...)
With every single beat of my heart
Yes I was born to take care of you
Every single day (single day...)
All right
Hey hey

I was born to love you with every single beat of my heart
Yes I was born to take care of you every single day of my life
You are the one for me I am the man for you
You were made for me you're my ecstasy
If I was given every opportunity I'd kill for your love
So take a chance with me let me romance with you
I'm caught in a dream and my dreams come true
It's so hard to believe this is happening to me
An amazing feeling coming through
I was born to love you with every single beat of my heart
Yes I was born to take care of you honey every single day of my life
I wanna love you I love every little thing about you
I wanna love you love you love you
(Born) to love you (born) to love you yes (Born) I was born to love you
(Born) to love you (born) to love you every single day of my life
I was born to take care of you every single day, day, day of my life
An amazing feeling coming through
