

Leaving Home Ain't Easy - Queen

I take a step outside
And I breath the air
And I slam the door
And I'm on my way
I won't lay no blame
I won't call you names
'Cause I've made my break
And I won't look back
I've turned my back
On those endless games

I'm all through with ties
I'm all tired of tears
I'm a happy man
Don't it look that way
Shakin' dust from my shoes
There's a road ahead
And there's no way back home (no way back home)
Oh but I have to say

Leavin' home ain't easy
Oh I never thought it would be easy
Leavin' on your own
Oh is the main thing calling me back
Leavin' home ain't easy
On the one you're leavin' home

Stay my love my love please stay
Stay my love what's wrong my love?
What's right my love?
Oh leavin' home ain't easy
I thought how could I think of leavin'
Leavin' on your own
Still tryin' to persuade me that
Leavin' home ain't necessarily the only way
Leavin' home ain't easy
But may be the only way
