

## Let Me Live - Queen

Ooooooh, take a piece of my heart  
Ooooooh, take a piece of my soul  
Let me live, oh yeah

Why don't you take another little piece of my heart  
Why don't you take it and break it  
And tear it all apart  
All I do is give  
All you do is take  
Baby why don't you give me a brand new start

So let me live (so let me live)  
Let me live (leave me alone)  
Let me live, oh baby, and make a brand new start

Why don't you take another little piece of my soul  
Why don't you shape it and shake it  
'Til you're really in control  
All you do is take  
And all I do is give  
All that I'm asking  
Is a chance to live

(So let me live) so let me live  
(Leave me alone) let me live, let me live  
(Why don't you let me make) a brand new start  
Yeah

And it's a (long hard struggle) yeah  
But you can always depend on me  
And if you're (ever in trouble) - hey  
You know where I will be

Why don't you take another little piece of my life  
Why don't you twist it and turn it  
And cut it like a knife  
All you do is live  
All I do is die  
Why can't we just be friends  
Stop livin' a lie

So let me live (so let me live)  
Let me live (leave me alone)  
Please let me live (Why don't you live a little)  
Oh yeah baby (Why don't you give a little love)

Let me live  
Please let me live  
Oh yeah baby, let me live  
And make a brand new start

Let me live (let me live)  
Oooh yeah (let me live)  
Come on (let me live)  
In your heart

(Take another piece, take another piece)  
(Take another piece, take another piece)  
Please let me live

(Take another piece, take another piece)  
(Take another piece, take another piece)

Why don't you take another take another piece of my piece of my heart  
Oh yeah baby  
Make a brand new start baby baby baby  
All you do is take (let me live)  
(Let me live)  
Oh yeah  
Let me live
