

Mother Love - Queen

I don't want to sleep with you
I don't need the passion too
I don't want a stormy affair
To make me feel my life is heading somewhere
All I want is the comfort and care
Just to know that my woman gives me sweet mother love

I've walked too long in this lonely lane
I've had enough of this same old game
I'm a man of the world and they say that I'm strong
But my heart is heavy, and my hope is gone

Out in the city, in the cold world outside
I don't want pity, just a safe place to hide
Mama please, let me back inside

I don't want to make no waves
But you can give me all the love that I crave
I can't take it if you see me cry
I long for peace before I die

All I want is to know that you're there
You're gonna give me all your sweet mother love
Mother Love

My body's aching, but I can't sleep
My dreams are all the company I keep
Got such a feeling as the sun goes down
I'm coming home to my sweet mother love
(Mother love)
(Mother love)
Day oh (day oh)
Day oh
Day oh
I think I'm going back to the things I learnt so well in my youth
