

## Play The Game - Queen

Open up your mind and let me step inside  
Rest your weary head and let your heart decide  
It's so easy when you know the rules  
It's so easy all you have to do  
Is fall in love  
Play the game  
Ev'rybody play the game of love  
When you're feelin' down and your resistance is low  
Light another cigarette and let yourself go  
This is your life  
Don't play hard to get  
It's a free world  
All you have to do is fall in love  
Play the game ev'ryone play the game of love  
My game of love has just begun  
Love runs from my head down to my toes  
My love is pumping through my veins (play the game)  
Driving me insane  
Come come come play the game  
Play the game everybody play the game of love  
This is your life - don't play hard to get  
It's a free free world all you have to do is fall in love  
Play the game yeah play the game of love  
Your life - don't play hard to get  
It's a free free world all you have to do is fall in love  
Play the game - ev'rybody play the game...
