

## See What Fool I've Been - Queen

Well she's gone dear gone this morning  
See what a fool I've been  
Oh Lord what a fool I've been  
Yes I did - too much

Didn't leave didn't leave no letter  
Didn't leave no warning (you naughty thing you)  
I guess I'm all to blame oh Lord  
I guess I'm all to blame (see you later....right now you) - take it

My little dog ain't too hungry no no he just kept on barking viciously  
Just don't seem the same oh no no  
It just don't seem the same (oh see you later)

Now hit it - like that  
Coming on strong

Well I got so lonely  
Went and told my neighbour  
She said mm mm mm mm mm  
Oh Lord what a fool I've been  
And she told me what to do  
She said go home

Well she's gone gone this morning  
See what a fool I've been oh Lord  
What a fo-oo-oo-ool I've been  
Thankyou
