

## Some Day One Day - Queen

You never heard my song before  
The music was too loud  
But now I think you hear me well  
For now we both know how  
No star can light our way  
In this cloud of dark and fear  
But someday one day

Funny how the pages turn  
And hold us in between  
A misty castle waits for you  
And you shall be a queen  
Today the cloud it hangs  
Over us and all is grey  
But someday one day

When I was you and you were me  
And we were very young  
Together took us nearly there  
The rest may not be sung  
So still the cloud it hangs  
Over us and we're alone  
But some day one day  
We'll come home
