

Stop All The Fighting - Queen

Stop all stop all (stop all) the fighting
Stop all stop all stop all the fighting
Stop it stop all the fighting
We want to live in a better place (live in a better place)
We want to make a better human race
We want to live in a better place (stop all the fighting)
We want to make a better human race
Stop all the fighting stop all the fighting
Don't do that don't get all excited
You know that know that - not gonna like it
Stop all (stop all) stop all stop all the fighting
We want to live in a better place (yeah yeah yeah yeah)
We want to make a better human race

We want to make a better human race
Stop all the fighting stop all the fighting
Get all excited
You don't have to do that
You're not gonna like it
That's a point of fact
We want to live in a better place
We want to make a better human race for you
We want to live in a better place
We want to make a better human race
Stop all the fighting stop all the fighting
