

Teo Torriate (Let Us Cling Together) - Queen

When I'm gone no need to wonder
If I ever think of you
The same moon shines
The same wind blows for both of us
And time is but a paper moon
Be not gone

Though I'm gone it's as though
I hold the flower that touches you
A new life grows
The blossom knows there's no one else
Could warm my heart as much as you
Be not gone

Let us cling together as the years go by
Oh my love my love
In the quiet of the night
Let our candle always burn
Let us never lose the lessons we have learned

Hear my song still think of me
The way you've come to think of me
The nights grow long
But dreams live on
Just close your pretty eyes
And you can be with me
Dream on

When I'm gone they'll say we were all fools
And we don't understand
Oh be strong don't turn your heart
We're all you're all we're all for all for always

Let us cling together as the years go by
Oh my love my love
In the quiet of the night
Let our candle always burn
Let us never lose the lessons we have learned
