

## The March Of The Black Queen - Queen

Do you mean it do you mean it do you mean it  
Why don't you mean it why do I follow you  
And where do you go?  
Ah ah ah ah ah ah ah ah ah ah ah  
You've never seen nothing like it  
No never in your life  
Like going up to heaven  
And then coming back alive  
Let me tell you all about it  
Ooh give me a little time to choose  
Water babies singing in a lily pool delight  
Blue powder monkeys praying in the dead of night  
Here comes the Black Queen poking in the pile  
Fi fo the Black Queen marching single file  
Take this take that bring them down to size  
March to the Black Queen

Put them in the cellar with the naughty boys  
Little nigger sugar then a rub-a-dub-a-baby oil  
Black on black on every finger nail and toe  
We've only begun - begun  
Make this make that keep making all that noise  
Ooh march to the Black Queen  
Now I've got a belly full  
You can be my sugar baby  
You can be my honey chile

A voice from behind me reminds me  
Spread out your wings you are an angel  
Remember to deliver with the speed of light  
A little bit of love and joy  
Everything you do bears a will  
And a why and a wherefore  
A little bit of love and joy  
In each and every soul lies a man  
And very soon he'll deceive and discover  
But even to the end of his life  
He'll bring a little love

Ah ah ah ah ah  
I reign with my left hand I rule with my right  
I'm lord of all darkness I'm queen of the night  
I've got the power now to do  
The march of the Black Queen  
My life is in your hands I'll fo and I'll fie  
I'll be what you make me I'll do what you like  
I'll be a bad boy I'll be your bad boy  
I'll do the march of the Black Queen  
Ah ah ah ah ah

Walking true to style she's vulgar abuse and vile  
The Black Queen tattoos all her pies  
She boils and she bakes  
And she never dots her I's  
La la la la la la la la la la la la  
La la la la la

Forget your sing a-longs and your lullabies  
Surrender to the city of the fireflies

Dance to the devil in beat with the band  
To hell with all of you hand in hand  
But now it's time to be gone  
La la la la forever forever  
Ah ah ah ah ah
