Fake Plastic Trees - Radiohead

Radiohead - Fake Plastic Trees

```
A                                    Asus4       Dmaj7/F#
Bm11
Her green plastic watering can
And it wears me out,
                                  E6               Dsus2
A
For her fake Chinese rubber plant
it wears me out.
                        A            Dsus2
Bm11
In the fake plastic earth.
It wears me out,
That she bought from a rubber man
A---Amaj7
In a town full of rubber plans
it wears me out.
To get rid of itself.
Bm11
And if I could be, who you wanted
                  Bm11
A
It wears her out,
if I could be, who you wanted.
                         A
E6   Bm11                      A
it wears her out.
All the time, all the time.
It wears her out,
E6---Bm11 – A – E6 – Bm11 - A
it wears her out.
Ah, ah.

She lives with a broken man
A cracked polystyrene man
Who just crumbles and burns.

He used to do surgery
For girls in the eighties
But gravity always wins.

                             Bm11
And it wears him out,
                          A
it wears him out.
                        Bm11
It wears him out,
    Asus4    A
it w---e---a---rs.

She looks like the real thing
She tastes like the real thing
My fake plastic love.

But I can't help the feeling
I could blow through the ceiling
If I just turn and run.
```
