No surprises - Radiohead

```
NO SURPRISES
D   Gm

D                              Hm
A heart that's full up like a landfill
                   Em
A job that slowly kills you
A                   D
Bruises that won't heal

You look so tired and unhappy
Bring down the government
They don't, they don't speak for us

D
I'll take a quiet life
Hm
A handshake of carbon monoxide
Em               A
No alarms and no surprises
Em               A
No alarms and no surprises
Em               A
No alarms and no surprises
D      Gm
Silent,
D      Gm
silent

D
This is my final fit,
Hm
my final bellyache with

No alarms and no surprises
No alarms and no surprises
No alarms and no surprises please

Em  A    (3x)
Gm

D
Such a pretty house,
Hm
such a pretty garden

No alarms and no surprises (let me out of here)
No alarms and no surprises (let me out of here)
No alarms and no surprises please (let me out of here)
