Radiohead - Thinking About You

G C/G G C/G G  
Been thinkin 'bout you, your records up here  
G C/G G C/G F#/D  
Your eyes on my wall, your teeth are over there  
Em F#/D G  
But I'm still no-one, and you're a star  
C/G G  
What do you care  
G C/G G C/G G  
Been thinkin 'bout you, and there's no rest  
G C/G G C/G F#/D  
Should I still love you, still see you in bed  
Em F#/D G  
But I'm playin' with myself, what do you care  
C/G G  
When the other men are far far better  
C B/C C B/C C  
All the things you got, all the things you need  
C B/C C B/C B/Csus  
I bought you cigarettes, I'll bribe the company  
C B/C C  
To come and see you, honey  
G C/G G C/G G  
Been thinkin 'bout you, so how can you sleep  
G C/G G C/G F#/D  
These people aren't your friends, they're paid to kiss your feet  
Em F#/D G  
But they don't know what I know, why should you care  
C/G G  
When I'm not there  
G C/G G C/G G  
Been thinkin 'bout you, and there's no rest  
G C/G G C/G F#/D  
Should I still love you, still see you in bed  
Em F#/D G  
But I'm playin' with myself, what do you care  
C/G G  
When I'm not there  
C B/C C B/C C  
All the things you got, you'll never need  
C B/C C B/C B/Csus  
All the things you got, I'm planning to bleed to,  
G  
Please you  
G (let ring)  
Been thinkin' bout you
