Radiohead - Thinking About You

G C/G G C/G G
Been thinkin 'bout you, your records up here
G C/G G C/G F#/D
Your eyes on my wall, your teeth are over there
Em F#/D G
But I'm still no-one, and you're a star
C/G G
What do you care
G C/G G C/G G
Been thinkin 'bout you, and there's no rest
G C/G G C/G F#/D
Should I still love you, still see you in bed
Em F#/D G
But I'm playin' with myself, what do you care
C/G G
When the other men are far far better
C B/C C B/C C
All the things you got, all the things you need
C B/C C B/C B/Csus
I bought you cigarettes, I'll bribe the company
C B/C C
To come and see you, honey
G C/G G C/G G
Been thinkin 'bout you, so how can you sleep
G C/G G C/G F#/D
These people aren't your friends, they're paid to kiss your feet
Em F#/D G
But they don't know what I know, why should you care
C/G G
When I'm not there
G C/G G C/G G
Been thinkin 'bout you, and there's no rest
G C/G G C/G F#/D
Should I still love you, still see you in bed
Em F#/D G
But I'm playin' with myself, what do you care
C/G G
When I'm not there
C B/C C B/C C
All the things you got, you'll never need
C B/C C B/C B/Csus
All the things you got, I'm planning to bleed to,
G
Please you
G (let ring)
