21st century - Red hot chilli peppers

All the creatures,on the beaches
makin' waves in the motion picture
won't you keep this, in between us
search and seizure, wake up venus

The dollar bill will
return the ill pill
Mom and Dad take your 'dont be sad' pill
turn the screw and twist my language
Don't forsake me im contagious!

Theres a reason for the 21st Century....
not too sure but i know that its meant to be
and that it's meant to be

It's my favorite combination
Comin' down with the favored nations
Deep rotation, mutilation
Learn to give and take dictation
Oh, oh, oh, oh-oh
Like the Cain and Able
Oh, oh, oh, oh-oh
Time to run this table

There's a reason for the 21st Century
Not too sure but I know that's it's meant to be
And that it's meant to be

Read me your scripture and
Read me your scripture
Read me your scripture and
I will twist it
Show me your wrist and I
Show me your wrist and
Show me your wrist and I'll
Kiss it kiss it
Oh, oh, oh, oh-oh
Like the Cain and Able
Oh, oh, oh, oh-oh
It's time to run this table

Simple Soldier, hand it over
Stop and read what you just told her
Strangulation , altercation
Oral sex and bird migration

There's a reason for the 21st Century
Not to sure but I know that's it's meant to be
And that it's meant to be yeah

There's a reason for the 21st Century
Not to sure but I know that's it's meant to be
And that it's meant to be
