

Cabron - Red hot chilli peppers

Cabron cabron
Cabron cabron

I see you in the park
You're always wearing
Dodger blue
My dog and me and
Anyone from any other crew

I am small but I am strong
I'll get it on with you
If you want me to
What else can I do

Everyone would take a cue
From anything you do
If you want them to
What else can they do

I don't want to fight
I want to get along with you
This time of night's
For singin' songs
About the local news

Cabron cabron
Cabron cabron

I'll come around and make peace
Get down have a barbecue
Let's keep the moon awake
And do electric boogaloo

I am small but I am strong
You see I'm just like you
If you only knew
That I'm just like you

All the world would
Take a cue from
Anything you do
If you only knew
That they're just like you

I don't want to fight
I want to get along with you
This time of night's
For singin' songs
About the local news

Cabron x8

If you want me to
What else can I do
Cause i'm just like you
If you only knew
