

## Hard to concentrate - Red hot chilli peppers

Hustle, bustle, and, so much muscle  
Cells about to separate  
Now I find it hard to concentrate  
And, temporary this  
Cash and carry ?em  
Stepping up to indicate  
The time has come to deviate

And, all I want is for you to be happy  
And, take this moment to make you my family  
And, finally you have found something perfect  
And, finally you have found?

Death defying this  
Mess I?m buying its  
Raining down with love and hate  
Now, I find it hard to motivate

And, estuary is, blessed but scary  
Heart?s about to palpitate  
Now, I?m not about to hesitate  
And, want to treasure the rest of your days here  
And, give you pleasure in so many ways dear

And, finally you have found something perfect  
And, finally you have found?  
(Here we go)

Do you want me to show up for duty?  
And, serve this woman, and honor her beauty

And, finally you have found something perfect  
And, finally you have found?

Yourself? with me, will  
You, agree to take this man  
Into your world  
And now, we are as one

My lone ranger  
The, heat-exchanger  
Is, living in this figure eight  
Now I do my best to recreate  
And, sweet precision  
And, soft collision  
Heart?s about to palpitate  
Now I find it hard to separate

And, all I want is for you to be happy  
And, take this woman and make you my family  
And, finally you have found someone perfect  
And, finally you have found?

All I want is for you to be happy  
And, take this woman and make you my family  
And, finally you have found someone perfect  
And, finally you have found?

Yourself
