Wish you were here - Rednex

```
Emi
Wish you were here
       C         D
Me, oh my countryman
              G    Hmi
Wish you were here
Emi
Wish you were here
          C                 D
Don´t you know the stove is getting colder
G                    H7
And I miss you like Hell
                Emi
And I´m feeling blue

E                 Ami
I got feelings for you, babe
D                     G       Hmi
Do you still feel the same
E                    Ami
From the first time I laid my eyes on you
D                          G              H7
I felt joy of living, I saw Heaven in your eyes
      Emi
In your eyes

Emi
Wish you were here
       C         D
Me, oh my countryman
              G    Hmi
Wish you were here
Emi
Wish you were here
          C                 D
Don´t you know the stove is getting colder
G                    Hmi
And I miss you like Hell
                Emi
And I´m feeling blue

 Ami
I miss your laugh, I miss your smile
       Emi
I miss everything about you
Ami
Every second´s like a minute
      H7
Every minute´s like a day
                Emi
When you´re far away

Wish you were here
The stove is getting colder, baby
I wish you were here
Wish you were here
A battlefield of love and fear
And I wish you were here
```

I got feelings for you, babe
From the first time I laid my eyes on you

Wish you were here
Me, oh my countryman
Wish you were here (I wish you were here)
Wish you were here
Don´t you know the snow is getting colder
And I miss you like Hell
And I´m feeling blue
