

45 miles - Rock

G D Emi
Here comes the night
G D Emi
A veil over the light
Ami G
In the distance some shadows of the
D
clouds in the sky
Ami G D
I've got to get home, to my child,
my wife

G D Emi
Here comes the night
A D
I'm scared to death, got to get me a ride
D7 G
It looks like the road is swallowing me up
G7 C G D
Got to hurry home, don't dare to look back
Emi C
Blueville is straight ahead

Ref:

G D Emi
Another 45 miles to go
G D Emi
Another 45 miles before I'm home
Ami G D
I wish I could pay the sun to run
Ami G D
Then I had some more time, with my wife, my
son

Clouds in the sky
Gathering for a fight
Chasing their prey till it can't go on
I mend my pace 'cos my bride is waiting home

Here comes the night
I'm scared to death, got to get me a ride
It looks like the road is swallowing me up
Gotta hurry home, don't dare to look back
Blueville is straight ahead

REf:

Another 45 miles to go
Another 45 miles before I'm home

Another 45 miles to go

Another 45 miles before I'm home
Ami G D

I wish the sunlight was burning in my eyes
Ami G D
instead of shades black faces of the sky
