

Going to do run run Angel - Rock

Capo na 2 poli (neni nutne pro ty kteri si umi pohravat s hlasem) :)

I could bet on new years eve he call me up at night
From the other side of the world Ed was always there allright
Ed's got the looks of a moviestar Eds got the smile of a prince
He ride a bike instead of a car I wanna be his friend
Dancing in the living room with a lady so nice
Like the child with the wisdom tooth He's just a friend of mine
Ed's got the rings and the collars Eds got the wind in his hair
He goes a riding with the brothers he got a fist in the air

REF:

Going to the run the run angel
Going to the run the run angel
Well, heaven and hell came together that night
Only for you that time
Going to the run forever angel

2:

On summer at the festival holding on real tight
On the back of a harley you took me for a ride in the sky
Ed's got the looks of a winner Ed's got the smile of a prince
He ride a bike instead of a car I always be his friend

Going to the run the run angel
Going to the run the run angel
There's rich star that shines so bright
Like a fire in the night

Going to the run forever angel
Going to the run the run angel
Forever going to the run the run angel
Well, heaven and hell came together that night
