G A B
Driving while I'm closing my eyes

watching your stars and your moonlight
E D C
come tumbling down from the sky...
Take it now.

2. Sunday morning my town is sleeping,
lying all alone in my bed.
There's not a sound, I can't help but listening,
wishing I was somewhere else instead
but sometimes they're too hard to handle,
those voices inside my head...
Listen now.
