Whenever Wherever - Shakira

```
C#mi
Lucky you were born that far away so
G#mi
So we could both make fun of distance
A
Lucky that I love a foreign land for
E               H
The lucky fact of your existence
C#mi
Baby I would climb the Andes solely
G#mi
To count the freckles on your body
A
Never could imagine there were only
E              H
Too many ways to love somebody
F#mi
Lo ro lo le lo le
C#mi
Lo ro lo le lo le
A              H
Can't you see...I'm at your feet

R:
C#mi      A
Whenever, wherever
E             H
We're meant to be together
C#mi             A
I'll be there and you'll be near
E             H
And that's the deal my dear
C#mi         A
They're over, you're under
E           H
You'll never have to wonder
C#mi         A
We can always play by ear
E             H
But that's the deal my dear

Lucky that my lips not only mumble

They spill kisses like a fountain

Lucky that my breasts are small and humble

So you don't confuse them with mountains

Lucky I have strong legs like my mother

To run for cover when I need it

And these two eyes that for no other
```

The day you leave will cry a river

Le do le le le le, Le do le le le le

At your feet...I'm at your feet

Whenever, Wherever

We're meant to be together

I'll be there and you'll be near

And that's the deal my dear

Thereover, Hereunder

You'll never have to wonder

We can always play by ear

But that's the deal my dear

Le do le le le le, Le do le le le le

Think out load, say it again

Le do le le le le

Tell me one more time

That you'll live

Lost in my eyes

Whenever, wherever

We're meant to be together

I'll be there and you'll be near

And that's the deal my dear

Thereover, Hereunder

You've got me head over heels

There's nothing left to fear

If you really feel the way I feel

Whenever, wherever

We're meant to be together

I'll be there and you'll be near

And that's the deal my dear

Thereover, Hereunder

You've got me head over heels

There's nothing left to fear

If you really feel the way I feel
