VERSE

Obsessed by you, your looks, well,
anyway "I would any day die for you",
I write on paper & erased away
Still I sit in diner Citylite,
drinking coffee and reading lies
Turn my head and I can see you,
could that really be you

PRE-CHORUS

Sometimes I'm wondering why
you look me and you blink your eye
You can't be acting like my Dana?
I see your beautiful smile and
I would like to run away from
Reflections of me in your eyes, oh please

CHORUS

Talk to me, show some pity
You touch me in many, many ways
But I'm shy can't you see
