

My Soul To Keep - The Creepshow

Am C
Staring at the pictures on your shelf
Am C
Saying "i wonder if i looked in the mirror, could i recognize myself?"
Am C
Cause suddenly, life is not so clear
Am
I got scars on my body, they tell a story
C
With a heart stained in fear

Bridge:

C G Am
Could i ever bring myself to forgive my past?
C G Am Em
And if i never did, i can't promise it will last

ref:

Am F
And as i lay me down to sleep
C
I pray the lord
G
My soul to keep
Am F
If i should die before i wake
C
I pray the lord
G
My soul to take

Am C
I tell myself that i'm worth more than this
Am C
Sayin "if i were to leave this world, i'd truly be missed"
Am C
Think of all the people you've made smile
Am
Just know that in their hearts
C
That you were worth their while
